

STRIDE INTERNSHIP APPLICATION

STRIDE Adaptive Sports provides sports and recreation programs to children with disabilities and military personnel who have sustained permanent injuries during their service. We welcome students willing to learn about the administrative aspects of running a non-profit organization who desire hands-on experiences working with children with disabilities.

Responsibilities include but are not limited to research/administrative projects and general office duties. Field experience with children with disabilities would include assisting with programs such as bowling, swimming, camping, skiing, snowboarding, tennis, teen dances, etc.

This internship is the ideal position for any individual who desires a career with Special Education, Public Administration, Education, Non-profit Management, Marketing/Event Planning or Related fields in Recreation or Sports Administration. The internship is offered during the fall, spring and/or summer semesters. Hours are flexible- mornings, evenings and/or occasional weekends.

STRIDE offers intern positions for credit, research, community service hours or experience in the workforce only. **We currently do not have paid intern positions.**

STRIDE seeks students who are serious about learning the skill sets needed to serve the population of individuals with disabilities and special needs. Transportation as well as word processing /email is required.

All STRIDE volunteers and employees are required to complete an Application Form, and a Criminal Background Check will be conducted.

If interested, complete the attached form and mail, fax or e-mail it to our office at
